
Merimac Capital®

Financing the equipment you need to process transactions can be expensive, but Merimac Capital® makes it affordable. Whether you need point-of-sale equipment or ATMs, Merimac Capital® has the equipment leasing solution to fit your needs and your budget. And because Merimac Capital® is part of First American Payment Systems, you can receive your equipment leasing and transaction processing from the same reliable, convenient source.

With Merimac Capital POS Equipment Leasing, you get:

- Flexible lease programs
- Personalized, friendly service
- Low factors and competitive rates
- Simple lease verification
- Lease held to term, not sold to third party
- One company for equipment leasing and payment processing

Merimac Capital® — another powerful product from First American Payment Systems!

Benefits of leasing POS equipment from Merimac Capital® :

- Update your POS equipment to get the latest innovations, products and services
- Low monthly rate
- Preserve working capital
- Overcome budget limitations
